### CyberDSA 2023: Malaysia aims for a more secure cybersecurity and digital future

Recently today, the Cyber Digital Services Defence & Security Asia (CyberDSA) 2023 took place at the Kuala Lumpur Convention Centre. This event was attended by Minister of Communications and Digital, YB Fahmi Fadzil. The 3 days expo runs from 15 to 17 August 2023.

The theme for this expo is “Advancing Digitalisation and Security Through Collaboration”. It aims to create a platform for networking, idea exchange, and forging alliances that will lead the nation to a better digital future. The event was organised by Aerosea Exhibitions Sdn. Bhd in conjunction with CyberSecurity Malaysia. The Malaysian Armed Forces were also involved through Cyber Defence and Electromagnetic Division.
