Kuala Lumpur, Malaysia

August 15-17, 2023

The inaugural Cyber Defence and Security Asia Expo and Conference also known as Cyber DSA 2023, will take place from 15 to 17 August 2023 at the Kuala Lumpur Convention Centre.

With more than 5000 anticipated visitors, 50 VIP delegations, and over 100 exhibitors, Cyber DSA aspires to be the leading regional content-driven event serving the cyber defense and security industry.

It aims to connect cyber security professionals and executives in the government and private sectors, driven to accelerate the cyber defence and security agenda through the advancement of future trends including the Internet of Things (IoT), artificial intelligence (AI), 5G, as well as cloud and blockchain technology among others. Heralding these latest technologies, as well as knowledge and insights on cyber intelligence, the inaugural Cyber DSA stage will be shared by regulators, policy makers, military personnel, CISO's, Government officials, practitioners and researchers from all over the world in Kuala Lumpur.
